

Applying for a Primary School Place

In Enfield, children can begin school during the academic year in which they become five. The place may be part time to start with, or full time depending on the arrangements made by the individual school concerned.

Children born between Start Reception
1st Sept 01 and 31st Aug Sept 2006
1st Sept 02 and 31st Aug Sept 2007
1st Sept 03 and 31st Aug Sept 2008

You will need to think realistically about the chances of your application being successful. Look at the admission criteria for the school that you want.

You will have to fill in an application form and may be asked to choose up to three schools.

Please remember that some children may have a higher priority for admission to a particular school.

All application forms will be available from schools or from the Enfield Schools Admission Service at the Civic Centre from 1st Oct 2006.

Parents may only complete one application form for schools in Enfield

The completed application form should be returned to one of the schools you wish to apply for or directly to:
